

Dear Prestige member,

I could not be more excited about what 2020 will hold for Prestige Travel. In my opinion, it is the best selection we have had in years.

You have received this booklet because you are a Valley Bank Prestige member. Being a Prestige Member includes quite a few perks of membership, with the most exciting one being information on our group travel program. This program features custom-designed trips that will impress even the most discerning traveler. Our goal is to offer adventures that include experiences you would never have included if you planned a trip on your own.

What is the best part about traveling with Prestige? IT'S EASY! All you do is select the trip from your bucket list, and we take care of the rest. Then, you pack and get ready to go! One of the bonuses that you wouldn't expect is all the new friendships along the way. I have many repeat travelers who come first for the destination, but a close second for the people they will meet. You will not be disappointed.

In 2020, I am using three different group travel companies. Each company includes items that make your trip extra special. Make sure to read the inclusions on the trip flyers. New this year: at least half of our trips include all gratuities for all tours and bus drivers. On those trips, no longer will you have to worry about having change every day for tips. If this is included in a trip, it is discussed on the flyer. What a fabulous bonus!

We have also included two action-packed bus trips for our Alabama customers. The bus trips are shorter in travel time and are very affordable, offering some very cool experiences. These bus trips are technically open to any Prestige member, but they will leave from Alabama locations, so you would need to get to Alabama! *We must have 30 passengers booked for these bus trips to happen, so please reach out to me if you are interested.*

As always, all trip prices include transportation, whether airfare or bus, ride to the airport from one of our branches, most all your meals, outstanding accommodations and superb guides. Because our groups are small, you will have the opportunity to bypass lines and do things the average traveler would miss.

I love talking about these trips, so please call me with any questions or to discuss one of the trips. I can be reached by phone at (205) 408-2066 or you can email me at nsheaffer@valley.com. I look forward to hearing from you.

As always, thank you for your business with Valley and your membership in Prestige.

Kindest regards,
